July 22 and 29, 2005				
		Open Training	Online Class	Online
		You pick the topic and the time. We'll bring the technique. Need a refresher on cash receipts processing? Is there a new person in charge of sales order day end? What about all the ways to re-price inventory that you've heard about and haven't had a chance to try? This is a great opportunity to zero in and learn how to save time.		
7/23/2005		Physical Inventory	Online Class	Online
1:00 AM	3:00 PM	The physical inventory process is covered here. See why sales orders may be entered during the counting process. The difference between the Inventory Cost and Physical Inventory Valuation reports is discussed. Learn why they are different and which one may be better for your business.
